PremierGarage of Knoxville / 360 Solutions - Preferred Installer

aiflooring, based out of Tulsa, OK, has named PremierGarage of Knoxville / 360 Solutions to its Preferred Installer list. Only a select group of the most highly trained and experienced flooring contractors are afforded this recognition.

PremierGarage of Knoxville / 360 Solutions have been installing aiflooring products for over 5 years, and in those 5 years, they have risen to the top tier of aiflooring installers. They are well-trained in system selection and are experienced in the installation of the full line of aiflooring products. This experience and skill, combined with an unmatched commitment to quality and customer satisfaction, is why they have been recognized as a Preferred Installer -and as an excellent partner.

aiflooring has been manufacturing industrial grade floor coatings for 30 years. Selling directly to qualified flooring contractors across the U.S., aiflooring has millions of square feet of its TerraChip, TerraQuartz, and TerraTono protecting and enhancing concrete surfaces. Their unique advances in topcoat technology has propelled aiflooring to the top of the decorative coatings market.
