Premier Garage /360 Solutions, LLC Named an Elite Sikafloor® Applicator for 2025

Knoxville, TN – April 21, 2025 – Sika Corporation has renewed **Premier Garage** / **360 Solutions LLC** as an Elite Level Applicator of Sika floor and wall systems for 2025. The company is among a selected group of flooring contractors recognized for their commitment to high quality resinous floor and wall installations.

Each year every Sikafloor Applicator goes through a rigorous training and evaluation program to assure that they meet Sika's high standards. In addition, each contractor is evaluated and rated annually on a variety of technical and business criteria and classified into one of three categories – Elite Sikafloor Applicator, Master Sikafloor Applicator and Sikafloor Applicator – with **Elite Applicator being the highest level of achievement**.

"We are pleased to recognize 360 Solutions as a Sikafloor Elite Applicator", said Michael Carroll, vice president of Sika Corporation's Flooring Division. "They have been an Elite Level Sikafloor Installer since 2016 and have shown they are among the best in the business, having demonstrated an unparalleled commitment to quality and the resinous flooring industry."

Sika Corporation is a global leader with over 100 years of experience in building materials and restoration technologies. Sika's high performance, seamless floor and wall systems are trusted and relied upon by designers and facility managers for their outstanding performance, durability, easy maintenance and aesthetic enhancement in a wide range of industries that include food and beverage, electronics and static control, clean rooms, pharmaceuticals, education, transportation, commercial / institutional construction, and general manufacturing.
